LB 748	Sorrentino	<p>Change provisions relating to the Nebraska educational savings plan trust and allow for the use of trust funds for recognized postsecondary credential programs</p> <p>Amends Nebraska's 529 college savings program. Allows funds to be used for recognized postsecondary credential programs in addition to college, and beginning in 2029, K-12 tuition. Also refines definition and legal authority so the State Treasurer is responsible for the administration, operation, and maintenance of the program. This bill also provides that anything that changes at the federal level will also change at the state level regarding 529 plans.</p> <p>Further, increases the \$10,000 per beneficiary per taxable year cap to \$20,000. HR 1 expansion of Nest plans are being adopted by this legislation. Public K-12 included for expenses like books, tutoring, and online materials. Adds post-secondary credentialing.</p>	Unicameral • Feb 10, 2026: Advanced to Enrollment and Review Initial	Support High Priority
LB 971	Guereca	<p>Require insurance coverage for rescue and maintenance asthma inhalers</p> <p>This bill mandates that all individual and group sickness and accident insurance policies, as well as self-funded employee benefit plans in Nebraska, must provide coverage for asthma inhalers when prescribed by a licensed healthcare practitioner. Specifically, the legislation requires coverage for one rescue inhaler and one maintenance inhaler, which cannot be subject to any deductible, copayment, coinsurance, or other cost-sharing arrangements. However, if the insurance policy is classified as a high deductible health plan, the coverage may be subject to the plan's annual deductible to maintain eligibility for a health savings account.</p> <p>Bill up for consideration • Banking, Commerce and Insurance</p> <p>Feb 24, 2026 01:30pm</p> <p>Room 1507</p>	Unicameral • Jan 23, 2026: Cavanaugh, J. name added	Monitoring
LB 1062	Bostar	<p>Change provisions relating to the Insurance Producers Licensing Act and the Pharmacy Benefit Manager Licensure and Regulation Act</p> <p>On behalf of the DOI</p> <p>This bill amends various sections of the Nebraska Revised Statutes concerning insurance, particularly focusing on reciprocal licenses, nonresident license requirements, and penalties under the Insurance Producers Licensing Act and the Pharmacy Benefit Manager Licensure and Regulation Act. Key provisions include the cancellation of nonresident licenses if the licensee's home state license becomes inactive, the establishment of new fees for insurance producer licenses and appointments, and the stipulation that if another state imposes higher fees or obligations on Nebraska insurance producers, those fees will also apply to producers from that state seeking licensure in</p>	Unicameral • Jan 22, 2026: Notice of hearing for February 03, 2026

		<p>Nebraska. The bill also modifies penalties for insurance producers who violate licensing laws, including administrative fines and automatic revocation of nonresident licenses for those not maintaining good standing in their home state.</p> <p>Furthermore, the bill introduces a requirement for pharmacy benefit managers to promptly notify the director of any significant changes in ownership or control that could affect their licensing qualifications. This aims to enhance transparency and regulatory oversight. Additionally, the bill repeals several existing sections of the Reissue Revised Statutes of Nebraska, indicating a legislative intent to streamline regulations or update the legal framework governing pharmacy benefit managers in the state.</p>

LB 1240	Murman	<p>Change provisions relating to state recovery under the achieving a better life experience program</p> <p>Achieving a Better Life Experience (ABLE) program in Nebraska. The key changes include provisions that clarify the ownership of accounts, residency requirements for designated beneficiaries, and the process for transferring or distributing account balances upon the death of a designated beneficiary. Specifically, it allows for the account owner or personal representative to transfer the account balance to another account or distribute it to specified individuals if the balance is \$5,000 or less. Additionally, the State Treasurer is required to notify relevant parties about potential tax consequences related to these transactions.</p> <p>Importantly, the bill introduces new language that protects the remaining balance in the account of a deceased designated beneficiary from state recovery for medical assistance received after the account's establishment. It specifies that the state will not seek recovery of any amounts remaining in the account or any amounts distributed from the account upon the beneficiary's death concerning medical assistance received. Furthermore, the state is prohibited from filing a claim for payment under a specific provision of the Internal Revenue Code.</p>	Unicameral • Feb 12, 2026: Bostar name added	Monitoring Support
